REQUEST FOR A TECHNICAL ELECTIVE COURSE

Name_____

E-mail address_____Student ID # _____

Signature_____Date_____

I am requesting to use the following course as a Technical Elective. The course is currently not on the approved Industrial Engineering Undergraduate Technical Elective list, but I feel that the course content is most applicable to my area of interest in engineering.

I understand that this request must be approved **BEFORE** I enroll and complete the class.

Course: _____ Credits: _____ Quarter(s): _____

Justification:

Please attach a syllabus of the course and supporting documentation whenever possible.

ACTION: Approve_____ Deny_____
For Review by Undergrad Committee - Yes_____ No_____
